Majestic™ 818 Hydro-Kleer™ Food Grade Process Oil

Clean, Pure & Safe for Food

In the world of Food Processing, ensuring cleanliness and food safety is always the most important goal. Majestic 818 Hydro-Kleer Food Grade Process Oil was developed using the purest base oils, rigorously cleaned of impurities or contaminants, for use in a wide range of applications in the food processing industry. This line of premium multi-purpose white oils is NSF 3H registered for direct contact with food, and is odorless, tasteless, non-toxic and non-staining. Majestic 818 Hydro-Kleer features a high viscosity index for use over a wide temperature range, and exhibits exceptional resistance to oxidation, thermal degradation and discoloration by UV light. Majestic 818 Hydro-Kleer is used in various applications in the food processing industry, especially as an egg shell oil, fruit and vegetable coating oil, mop oil, release agent, or dough divider and rounder oil.

BENEFITS

- **NSF 3H registered for direct food contact**
- **Non-toxic and non-staining**
- **Odorless and tasteless**
- **Resistant to oxidation, thermal breakdown and UV discoloration**
- **Superior demulsibility to resist harmful dilution effects of water**
- **Factory filtered using high efficiency 4 micron filtration**

ULTRA-KLEEN™

Food Grade Lubricants

Ultra-Kleen Food Grade Lubricants feature high purity, non-toxic base oils and engineered additives to ensure optimum equipment performance while meeting or exceeding the safety guidelines of the food industry. The Ultra-Kleen product family includes a full line of food grade lubricants covering a wide range of applications including hydraulic systems, compressors, gearboxes and bearings as well as specialty applications such as freezers, ovens, chains and pneumatics. Our NSF registered and Kosher certified products keep your operation running smoothly. We are a manufacturer of ISO 21469 certified lubricants.

About Hydrotex®

Hydrotex® is a manufacturer and distributor of high performance lubricant and fuel improver solutions. As an employee owned company, we help our customers develop sustainable solutions designed to help improve system reliability, save energy, limit pollution, extend fixed asset life, reduce maintenance costs and improve fuel efficiency. Our products and services leverage over 80 years of innovation resulting in superior lubrication solutions.

The Hydrotex Warranty

When properly stored and used in accordance with instructions, any material not satisfactory will be replaced with any product in our line on a dollar for dollar basis provided the account is paid in full when due, and Hydrotex is notified, in writing, within 12 months of the date of the order by the customer.

Ask your Hydrotex representative about how Lubrication Management can add value to your business.

- Improve Reliability
- Increase Uptime
- Optimize Efficiency
