

# Ultra-Kleen™ 550

## White Food Grade Grease

### Versatile and Safe. Performance you can count on.

How many bearings are you responsible for? A bearing failure can cost hundreds, even thousands of dollars in lost production. Keep your machinery running smoothly with Ultra-Kleen 550 Food Grade Grease. Ultra-Kleen 550 is for the maintenance professional who values uptime and is formulated to meet the everyday needs of the food processing industry.

Ultra-Kleen 550 provides anti-wear protection, resists shock loads, and seals out moisture and other contaminants from bearings and other critical components. It delivers reliable performance for a wide range food and beverage manufacturing applications including: packaging lines, conveying systems, and case erectors. When you need a dependable general-purpose food grade grease, reach for Ultra-Kleen 550.

#### BENEFITS

- **Anti-wear protection reduces friction and extends equipment life**
- **High load performance**
- **Superior oxidation inhibition to extend lubricant life**
- **Resistant to water and corrosion**
- **Excellent pumpability and low temperature performance**

**ULTRA-KLEEN™**  
Food Grade Lubricants

Ultra-Kleen Food Grade Lubricants feature high purity, non-toxic base oils and engineered additives to ensure optimum equipment performance while meeting or exceeding the safety guidelines of the food industry. The Ultra-Kleen product family includes a full line of food grade lubricants covering a wide range of applications including hydraulic systems, compressors, gearboxes and bearings as well as specialty applications such as freezers, ovens, chains and pneumatics. Our NSF registered and Kosher certified products keep your operation running smoothly. We are a manufacturer of ISO 21469 certified lubricants.

## About Hydrotex

Hydrotex® is a manufacturer and distributor of high performance lubricant and fuel improver solutions. As an employee owned company, we help our customers develop sustainable solutions designed to improve system reliability, save energy, limit pollution, extend fixed asset life, reduce maintenance costs and improve fuel efficiency. Our products and services leverage over 80 years of innovation resulting in superior lubrication solutions.

**Ask your Hydrotex representative how a partnership with Hydrotex can provide the lowest annual sustainable cost of lubrication.**

- Improve Reliability
- Increase Uptime
- Optimize Efficiency

## The Hydrotex Warranty

When properly stored and used in accordance with instructions, any material not satisfactory will be replaced with any product in our line on a dollar for dollar basis provided the account is paid in full when due, and Hydrotex is notified, in writing, within 12 months of the date of the order by the customer.
