

Hy-Torque®

Universal Power Transmission Fluid

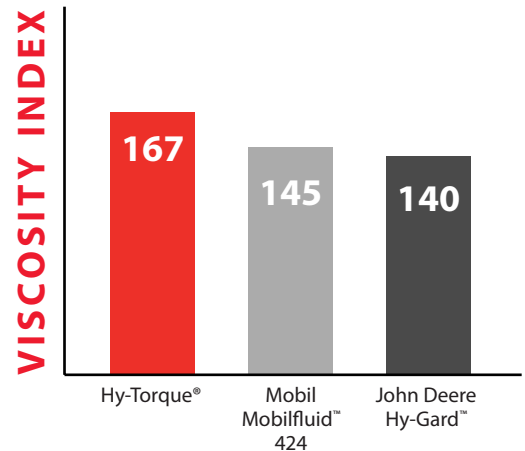

Cut the Chatter.

Are your wet brakes or PTO telling you things you don't want to hear? Hy-Torque Universal Power Transmission Fluid features expertly balanced friction properties to prevent chatter and reduce wear and tear on your equipment. Adhesive Resilium® polymers prevent dry-start operating conditions and high temperature viscosity thinning. Excellent wear protection, thermal and oxidative stability, and corrosion protection make Hy-Torque the right choice for your hydrostatic transmission, differential, final drive, wet brake, wet clutch and hydraulic equipment.

BENEFITS

- **Optimal friction properties prevent wet brake and PTO chatter**
- **Excellent oxidation stability for maximum fluid life**
- **Rugged anti-wear and EP protection for extended equipment life**
- **Reliable all season performance**
- **Protects against rust and corrosion in wet and humid conditions**
- **Foaming and aeration resistant for consistent operation**
- **Contains seal conditioners to prevent pressure loss**

Hy-Torque vs. the "other guy"

Hy-Torque's high viscosity index ensures optimal lubrication over a wide temperature range for consistent all-season performance.

For optimal results, use with:

HI-SPEED CHAIN, WIRE ROPE & CABLE LUBE WITH MOLY

No. 528 High Speed Chain, Wire Rope & Cable Lubricant provides comprehensive protection for drive and hoist chain applications and wire ropes. This robust lubricant contains a thickening and adhesion agent to seal out moisture and contamination while lubricating internal chain contact points and wire rope strands. Contains dispersed Molybdenum Disulfide for heavy duty protection, and Resilium® polymers to prevent sling-off, wash-off and drippage.

PIVOT SYSTEM GREASE

Keep your center pivot irrigation system running reliably with Hydrotex Pivot System Grease. Formulated specifically for Center Pivot Irrigation Gear Boxes, this adhesive semi-fluid grease keeps gear sets coated to prevent corrosion and stops seal leaks. Contains GL-5 additive package for maximum gear protection.

POWER KLEEN™

Give new life to your diesel fuel system! Power Kleen keeps the entire fuel system clean: powerful nitrogen cleaning molecules dissolve deposits of carbon, gum and varnish in fuel injectors, lines and tanks, and prevents their reformation.

TractorLife.com is an industry-supported website that provides valuable information about lubricants to assist farmers with choosing fluids that offer superior performance and equipment protection. Hydrotex's Hy-Torque Universal Power Transmission Fluid has earned approval to use the TractorLife.com Authenticated mark, indicating that it exceeds the requirements of major farm equipment manufacturers such as AGCO, CNH, and John Deere. TractorLife.com Authenticated fluids provide tractors optimal protection against wear, rust, oxidation, brake chatter, and extreme temperatures.

About Hydrotex®

Hydrotex® is a manufacturer and distributor of high performance lubricant and fuel improver solutions. As an employee owned company, we help our customers develop sustainable solutions designed to help improve system reliability, save energy, limit pollution, extend fixed asset life, reduce maintenance costs and improve fuel efficiency. Our products and services leverage over 80 years of innovation resulting in superior lubrication solutions.

The Hydrotex Warranty

When properly stored and used in accordance with instructions, any material not satisfactory will be replaced with any product in our line on a dollar for dollar basis provided the account is paid in full when due, and Hydrotex is notified, in writing, within 12 months of the date of the order by the customer.
